

### **REMARKS/ARGUMENTS**

Applicants thank the Examiner for indicating that Claims 1 – 9 are allowable, and that Claim 11 would be allowable if rewritten in independent form.

Claim 10 has been rejected under 35 U.S.C. § 103(a) as being unpatentable over EP 577436 A1. Claim 10 has been amended to include the allowable subject matter of Claim 11. Claim 11 has been cancelled.

In view of the foregoing amendment and remarks, it is respectfully submitted that the rejection under 35 U.S.C. § 103(a) has been overcome and that the pending claims are in condition for allowance.

### **Conclusion**

It is respectfully submitted that all pending Claims 1-11 are in condition for immediate allowance and an early notification of the allowability of these claims is earnestly solicited. If any matters remain to be resolved, the Examiner is urged to contact the undersigned attorney by telephone at 704-444-1185 to expedite prosecution of this application.

It is not believed that extensions of time or fees for net addition of claims are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 CFR § 1.136(a), and any fee required therefore (including fees for net addition of claims) is hereby authorized to be charged to Deposit Account No. 16-0605.
